NATIONAL ENGINEERING MANUAL
210-V
Amendment MN1

SUBJECT: ENG – DIRECTIVES – NATIONAL ENGINEERING MANUAL

Purpose. To distribute revisions in Part 501-Authorizations and Part 511-Design.

Effective Date. This amendment is effective upon receipt.

Policy on NRCS assistance for partial waste management systems and the engineering technical approval chart (MN-ENG-13) have been updated in MN Part 501, Subpart A. Stray voltage protection policy to livestock confinement areas was added to MN Part 511, Subpart A.

These are all reissuance of existing policy to meet the revised NEM format.

The on-line link to these supplements is http://www.mn.nrcs.usda.gov/technical/eng/MN_NEM.html. Paper versions of the supplement will not be distributed. Field staff should contact their Area Engineer for engineering policy questions.
